Internship with the Stuttgart Region European Office

As an intern in the Stuttgart Region European Office, you will be working in Brussels and get the opportunity to familiarise yourself with the work of the European Institutions and that of regional representations. The European Office of the Stuttgart Region Economic Development Corporation and the Verband Region Stuttgart (association of local authorities within the Stuttgart Region) represents the interests of the region in Brussels.

From March 2019 until July 2019 (5 months) we are looking for a motivated intern to assist our team.

Your Tasks:

- Preparing and attending events and workshops and report back to the offices in Brussels and Stuttgart on the content presented
- Research on current developments in the areas of innovation policy, energy, transport, the environment, media and the creative industries, as well as funding schemes and call for proposals
- Support the team in its collaboration with European networks, such as ERRIN
- Supervising the schedule and assist with general office work

Your Profile:

- Great interest in European Politics in general and regional policies in a European context in particular
- Native level German, excellent command in spoken and written English, French an advantage
- First intern experiences and/or stays abroad desirable
- Internship has to be part of the curriculum

We offer:

- Insights into the work of the European Institutions and the Stuttgart Region
- Independent and individual work on varied subject matters
- International environment with regional background
- Remuneration

If you are interested in joining us, please send your application (motivation letter and CV) **via email by 10 July 2018** to: Anna Spechtenhauser, anna.spechtenhauser@region-stuttgart.de
