

1st Joint Project Study: “Cross-border Mobility and Public Transport Usage”

The 1st Joint Project Study has been designed for students from RWTH Aachen University, University of Hasselt, University of Liège, Zuyd University of Applied Sciences & University of Maastricht who are interested in investigating “Cross-border Mobility and Public Transport Usage” in the Euregio Meuse-Rhine empirically. Therefore, you will complete an interactive, comprehensive research process including questionnaire development, face-to-face interviews, data analysis and presentation.

Schedule

- **6th / 7th April 2019 (Saturday & Sunday) in Aachen:** Questionnaire development
- Between 1st and 2nd weekend: Self-conducted pretest interviews (just three)
- **26th / 27th April 2019 (Friday & Saturday) in Hasselt:** Pedestrian survey
- Between 2nd and 3rd weekend: Self-conducted interviews and data analysis
- **24th May 2019 (Friday) in Maastricht:** Presentations, networking with practical partners at the next official emr connect meeting (<https://emr-connect.eu/nl/>)

Benefits

- Improvement of **intercultural** and **economic research related skills**
- Contact to **practical partners** (<https://emr-connect.eu/nl/de-projectpartners/>)
- Exploration of **Aachen, Hasselt** and **Liège**
- **No participation / accommodation fees**

Preconditions

- Basics of economic / social research
- Basics of bivariate statistics
- English skills (at least B2 level)

Questions & registration until 28/02/2019 (12 p.m.) via henrik.basche@geo.rwth-aachen.de or <https://goo.gl/forms/75Cn1voyplHXh3up2>

In case the number of potential participants exceeds our capacity (25 participants), we will inform you that a motivation letter (max. 300 words) is required until 08/03/2019 (12 p.m.).
