The Jan van Eyck Academie is looking for enthusiastic, proactive volunteers of all ages who could help with carrying out the annual Open Studios joyfully and successfully.

On **24, 25, and 26 of June** throughout the Jan van Eyck labs, gardens and the rest of the building, the public will have a chance to engage with participants' individual practices, projects and collaborative endeavours. The event programme will hold performances, installations, presentations, screenings, and talks.

Your tasks as a volunteer will involve preparing studios and exhibitions spaces, helping the staff and participants with the execution of the artistic projects and the public programme, making all visitors feel welcome and well-guided. Once the Open Studios comes to an end, the volunteers will be involved in dismantling exhibition spaces.

We will need help from volunteers **from 8 of June until 8 of July**. If you would like to become part of this project, wish to meet new people, get in touch with contemporary art and artists, and be part of the working team at an art institute, please **send in your application by 11 of June** to Veronica Ventura at [veronica.ventura@janvaneyck.nl](mailto:veronica.ventura@janvaneyck.nl) with your availability and a motivational letter explaining your strengths, skills and wish for volunteering at the Jan van Eyck. A schedule will be devised depending on your availability.

In return for your work, you will receive a general compensation of 5€ per hour and a free lunch on the days you are volunteering for at least 8 hours.
