

Maastricht University Journal of Sustainability Studies

Call for Papers: UM Journal of Sustainability Studies vol. 3

Do more with your academic papers!

Submit your sustainability-related papers for publication in the third edition of the *Maastricht University Journal of Sustainability Studies*!

This journal aims to present a variety of approaches and understandings of sustainability, in order to reflect the multi-faceted nature of the concept. The goal of the journal is to encourage student research on sustainability across various disciplinary fields, as well as to promote originality and excellence in research.

The third issue of the Maastricht University Journal of Sustainability Studies, to be published in October 2015, is currently open for paper submissions and welcomes a wide variety of sustainability-related topics.

Submission deadline: May 31st 2015

Send papers to: greenoffice@maastrichtuniversity.nl

More info on submission criteria: see greenofficemaastricht.nl/research/mujoss-submissions-2015

Submission is no guarantee for publication. Submissions after this deadline will be considered for the next edition.
