

AUTOMOTIVE AFFAIRS INTERNSHIP, SIX-MONTH (EXTENDABLE)

Brussels, Belgium

Leaseurope (www.leaseurope.org) is recruiting an Intern to join its Brussels team for 6 months (extendable).

The ideal candidate will have a Master degree in law, public administration or economics, a demonstrated interest in the activities and working methods of the European Union, an *excellent* command of English (native or equivalent) and very good drafting skills. A genuine interest in the automotive field is an asset.

The Intern will support the work of Leaseurope's Senior Adviser in Automotive Affairs through the monitoring of relevant EU policy developments, targeted research and policy analysis, drafting of briefings and reporting to members.

We offer:

- first-hand experience of the Brussels lobbying scene
- insight into the automotive rental and leasing market as well as the consumer protection and transport policy sectors
- opportunities to be involved in interesting, hands-on projects from start to finish
- professional experience related to lobbying in a European, member-based, organisation
- excellent team spirit in a multinational environment
- an allowance ('convention d'immersion professionnelle')

If you are interested, please send your CV as well as your motivation letter to r.knubben@leaseurope.org with the reference "[Brussels Internship- Leaseurope](#)".

Only short-listed candidates will be contacted.
